Voted that the Lower howse be moved to some more effectuall waye for the transportacōn of publike letters and in that of Ferrys

An Acte for Porte Dutyes and M<sup>rs</sup> of ships

Voted that the Leiuetenn<sup>t</sup> Generall be desired to confirme itt in his Lop<sup>s</sup> name

An Acte concerning the Killing of wilde Cattle

Voted that the lower howse be consulted with for a more effectuall waye for the destroying of the wilde Cattle

Ordered that M<sup>r</sup> Daniell Jenifer Messenger be sent from this howse to the lower howse to p<sup>r</sup>sent that seditious paper publisht att Anne Arrundell with the Vote of this howse for their Concurrence.

Then came a Member of the Lower howse and p<sup>r</sup>sented this following paper.

Whereas at the last Grand Assembly held for this Province the Burgesses then assembled did humbly desire that an Acte mought then pass both howses to this effect. That the Members or Burgesses of this Assembly and all other Assemblyes ever hereafter haue free liberty of speeche in deliuering their opinion and Censures without p<sup>r</sup>judice either of themselues their persons or Estates to any bill or order propounded or what shall be propounded by them for the Good and liberty of the Inhabitants here

p. 123

And all the Answere they then had to this their request was that they had and should Enioye liberty of speeche as being free borne children of England according to Magna charta:

Now their humble request is that if it shall soe happen that any Member transgress in this kind and abuseing this liberty such Members shall be only punishable in
