The Message in Writing Ordered to be read Viz^t

Lower house 8th May 1682

The Message by Coll: Burges and M^r Hall to the Upper house concerning Hides and Skins, this house doth thus Explain; that they have been very Credibly Informed that great and Considerable Quantities of Goods have been this year sent into this Province by Samuel Groom to Solomon Thomas & Stephen Demard Inhabitants of this Province which were only fitt for the Indian Trade, also that these persons have purchased great Quantities of Skins &c: and without doubt intend or have Shipped them aboard the Globe or Some other Ships, for it cannot be thought they have purchased them to keep them here, this house therefore request that the Letters of the said two factors may be Opened, or if that may not be, that the Master of the Globe may be Caused to give Security to Answer the Penalty of the Act against Transportation of hides if the breach thereof be hereafter proved ag^t the said Master—
