

in the Bottom of a Barrel of Bread, which being placed in a careless manner, as if for the Ships use, it escaped the search, one of the Letters was directed to Willing & Morris, without any Signature. it contained a printed copy of my Lord North's conciliatory act by which all American vessels found on the Coast of Great Britain or Ireland are to be seized & confiscated on the first day of January—all American Vessels sailing into or out off the Ports of America after the first of March are to be seized & confiscated, all foreign Vessels trading to America after the first of June to be seized—all Communication between Great Britain or Ireland or the British West Indies with America to be cut off, all Captures made by British Ships of War or by the officers of the Kings troops in America adjudged by this Act to be lawful Prize, and as such Courts of Admiralty to proceed in their Condemnation all orders, for the Regulation of Courts of Admiralty in America, heretofore made by the King in Council or which may hereafter be made, are confirmed—the Boston Port Bill, the Fishery Bill, and the restraining Act are repealed by this Bill, the Colonies being in the like Circumstances & Situation—the last Clause of this more than diabolical Act enables the King to appoint Commissioners to grant Pardons & receive the Submissions of any Province, County, Town, or District.
