[Council to J. Hollingsworth.]

To Mr. Jesse Hollingsworth

Sir.

As the former request made by the Council was disagreeable, as you mention to us, to Mess<sup>rs</sup> Lux & Bowley and Captain Woolsey, we thought it most proper to refer the consideration of their claims and proposals with all the papers and letters relative to that transaction to the Convention, who have concurred with the report of their Committee of Claims, which we send you inclosed,—you will therefore make known to those Gentlemen this resolution of the Convention, and you will proceed agreeable to the instructions we have given respecting those cargoes, and you will please to inform those Gentlemen we will pay the particular sums to their order. Lieutenant Moore has made known to us that there are wanting for the artillery here 200, 4<sup>th</sup> Balls, 200 6<sup>th</sup> D<sup>o</sup> and 400 3<sup>th</sup> d<sup>o</sup> These are cast at the Kingberry Furnace, and we request the favor of you to expedite them as soon as they possibly can be done
