Col^o Bond & Maj^r Taylor

Gentⁿ

By M^r Norris you will receive £300 to be laid out in the purchase of arms, Blankets and Linen for Tents, for the use of Captⁿ Harriss's Company.—£100, for the use of the Harford Greens has been transmitted to M^r Garrett.

The Harford Greens being first made up, will be first entitled to the arms and blankets lying now at Harford (deducting first about 40 Blankets for the use of the Hospital here) If they leave any, as from their being well furnished with those articles themselves, there is a likelihood they will, Captⁿ Harriss may be furnished with an order for them, if he stands in need.
