Liveten^{ts} P: C: & W: C. & said they came to revive the League between the said Pascattaway Indians & the English & first in the name of the Boys next in the name of the elder persons that they might eat, drink, sleepe & play in quiet; the women in like mann^r desire the peace, acknowledging the Lord Prop^{ry} for their Lord & Protector. next the old men desire it that they may sleep by their Wives quietly & take their Tobacco: that they had not long p^resented any thing & that now they came to keep in memory the Peace, that they are now reduced to a small number & therefore they cannot p^resent any thing considerable Lastly from the miserable poor they desire it that herein when their Nacōn may be reduced to nothing perhaps they may not be scorned & chased out of o^r Protection.

To which was answered by the Deputy Liveten^{ts} that as they desired to continue in Amity with us so we did assure them that we should not break the Articles made & confirmed by Act of Assembly between the Lord Prop^{ry} & them & that we do hope they will be mindfull & wary to preserve & keep every of the said Articles, and that so long we should not scorn nor cast off the meanest of them

Then was moved by the Deputy Liveten^{ts} to have the Indian that stroke Benjamin Price dd there being great doubt that the said Price dyed of the Blow; To which they replied that Price dyed not of the Blowe, but was in health twenty daies after, that the said Price was swiming & diveing in Presence of M^r Chandelo^{ts} Children of Portobacco & came out of water sick of an Ague & vomitted & of the s^d sickness dyed. Whereupon the Dep: L^{ts} desired to speak with the Emp^r the last day of Octob^r together with his Councill at S^t Maries. To which the Speaker answered the Emp^r was at the Sasquesahanough, & that it was not in his power to promise he should come; but for clearing the business desired the head might be searched, where upon it is ordered that John Stanesby & John Perce Chirurgeons do view the head upon Munday 8th August & th^t Monetquend be p^resent & that the Chirurgeons Certify w^t their opinions is, touching the Death of the s^d Price.
