

Your Ex^{cy} and your Governm^t here, none shall be more Will-
ing ready and faithfull then me who allways will Endeavour Original
Journal.
to deserve the hono^r of being

Your Excellencys most Obedient
most faithfull & humble serv^t

May it please your hono^{rs}

Lond^o the 26th Ian^{ry} 1698/9

The Above are Copys of what I heretofore sent you by Mr Charles Ridgly and Cap^t Burford both of which I hope are Come to your hono^{rs} hands I now Confirme them by sending in full the Order of yo^r honble Board in time of his Ex^{cy} late Cov^r Nicholson as p inclosed Invoyce doth more fully appear to be an Acc^t of such your Remittances for Value 252: 13: 06 whereon will be due 2. 13. 4 to me which shall Continue the province Debto^r for in regard I had remitted me but Iust 250: 00: 02 for this Acc^t I also now send an Acc^t of Esq^r George Plater's remittances as p Invoyce for Value 141: 8: 4: on w^{ch} Acc^t the province stands Indebted to me 13: 03: 04 for his good remittances on this Acco^t is no more then 128: 05: 00 as underneath for these two remittances together p. 40
15: 16: 08 to me due shall not doubt of yo^r hono^r repaying me, In yo^r Letter Invoyce I have fully Compleated your hono^r Order of what was formerly a wanting in the Arms and Amunition that was to have been sent and besides these have also sent Arms fitt for 16 Compleat Granadeers and 16 Compleat Carbineers which are more as your hono^{rs} will see then I have money for I wish these and the rest may Come Safe and th^t they may be to yo^r Hono^{rs} well likeing which I have by my Care Endeavoured for they Come as p Bills of Ladeing by the Eliz^a and Martha Cap^t Bartho: Whitehorne who is to ride with Ship att Seaverne which I hope will suite for Con-
veniency I have again sent the Bullett moulds p this Bearer Cap^t Whitehorne who I desired to deliver them Carefully inclosed is Cap^t Silvers directions Concerning the Nature of the Hand mortars unfixing the Granado shells, as also a pro-
portion for makeing yo^r fusers to w^{ch} will referr you, have sent two Rasps p his direction to fitt the fusees in the shells and he also has sent 150 fusees ready fitted and prepared 2 Gran-
ado shells for yo^r better Knowledge as in Chest N^o I may be found when more Bills Exch^a Coms from Esq^r Plater will therewith further Comply with yo^r Hono^{rs} former Order, the reason of paying so great freight for the powder is because that we were forced to have a particular powder Room made for it and its allways reckoned double the freight of other sorts Goods as yo^r province may have need I shall be glad of
