

Church to be built in the Towne and porte of Annapolis according to the Contract and Agreem^t made wth him or whither he would stand a Suite of Lawe to be Comēced ag^t him to recover such damages as the Countrey has Sustained for want of the said Church work being Carryed on and Compleated according to his said Contract whose answer was positive that he would submitt him self to what soever fine this Gen^l Assembly should impose upon him for his not Carrying on Compleating and finishing the s^d Church Provided he might be Discharged from further prosecuting the building of the said Church wherevpon this house have resolved that the said Maj^r Edward Dorsey shall refund to this province all the money by him received on acco^u of building the said Church and that he in Consideration of his failure in not Complying wth his Contract and agreem^t made for the finishing of the said Church be fined the Sume of Two hundred pounds Sterling and Surrender what work is by him Done towards the foundation of the said Church and the sd Maj^r Dorsey be Disengaged from the building of the sd Church and that M^r Tho: ffielder and M^r Henry Croffts be Disengaged from that part of their Agreem^t made wth the said Edward Dorsey in relation to the said Church if yo^r Ex^{cy} and his Maj^{ty}s Honble Covncill shall be pleased to Concurr therewith

Signed p Ord^s
Chr Gregory Clk house Dell:

Ord^d that Maj^r Tho: Smith and M^r Thomas Hicks Carry the said Message who returne and say they have Deliverd the same.

The Honble Charles Hutchins and Rob^t Smith Esq^r Enter the house and p^rsent the following message.

By his Ex^{cy} the Gov^r and Council in Assembly
July 6th 1699.

Herewith is sent you M^r Isaac Millers Lett^r about Armes and amunition as Likewise the Acco^t of what has Come in sence his Ex^{cy}s arrivall here and it is referrd to yo^r Consideration to advise and give yo^r opinions how the said Armes and Amunition should be Distributed and Disposed of. And whereas there are three hundred and odd Quarter Barrells of Gun Powder come in this yeare w^{ch} is thought too great a Quantity and may be in Danger of being Spoyled and Damnified before it be made Use of whither it may not be Convenient that about ffifty barrells of the said powder should be
