A Message from the Lower house by M^r Dulany & Others

By the Lower house of Assembly 22 March 1735

May it please Your Honours

This house being of Opinion that the Importation of Lisbon Salt directly into this Province would be of great Advantage to the Inhabitants thereof, and that the most probable Method to obtain that Liberty would be for his Excellency the Governour and both Houses to address the Right Honourable the Lord Proprietary for his Interest and Assistance to the Parliament for that Purpose; if your Honours are of the same Opinion we hope you will joyn with Us, as well in applying to the Governour for his Concurrance with both Houses, as in the Address it self

Signed ʔ Order M Macnemara C^t Lo Ho.

His Excellency is pleased to communicate his Answer to the Address of this house in the following Words

Gentlemen of the Upper house of Assembly

p. 6 I return you my hearty thanks for your kind Address; Nothing can give me more Pleasure than Your Approbation of my Conduct hitherto, and I assure you I shall always endeavour to deserve the Continuance of it, by a constant and sincere Regard for the true Interest of Maryland
