[Council to Colo. Peregrine Tilghman]

Sir M^r Wederstrandt has represented to this Board (and we believe very truly) that the Quantity of twenty eight Barrels of Flour, which you lately seized in Emmerson's Warehouse, in Virtue of the Law for the immediate supply of the Army, was purchased by him for some Gentlemen in this City for the Consumption of their several Families. We believe the Quantity is not more than those Gentlemen can consume in their Families in four Months. Under such Circumstances, we request you to restore to M^r Wederstrandt, the whole of the Flour, that it may be applied to this Purpose for which it was purchased, apprehending this Case is not within either the Spirit or Letter of the Law.

[Council to Mr. Charles Blake]

Sir We received yours of the 3^d and 21st Ult^o As you have already engaged Vessels to transport the Wheat you have seized, as soon as the Navigation is open, we think it will contribute most to the Public Service to have it delivered to M^r Henry Hollingsworth at the Head of Elk. We are of Opinion the Flour purchased by the French Agents is subject to Seizure under the Law, but would not have it removed, until you receive further Directions from us. We have sent you a few Certificates by M^r Wederstrandt
