Sir. We have wrote to M^r Keeports to supply you with Cloathing for your Recruits

[Council to Capt. Richard Dorsey.]

Sir We intend to send the Linen for the Officers to Camp in a few Days, where you will have an Opportunity of being supplied, in Proportion to the Quantity that will be on Hand to be distributed

Sir We have received yours of the 29th ult^o and 1st Inst. and shall send you by the first good Opportunity ten thousand Pounds to be expended in the purchasing of the sewing Silk and paying for the Making of the Officers Buttons, the remainder to be laid out in Shoes. If you cannot wait for the Payment of our Order on the Collector, return it and the Money shall be sent you. If you can exchange the Shalloons on Hand for such as will be suitable, we request you to do it on the best Terms you can, unless the Recruits are willing to receive it for the Coats allowed them by the State, and if a sufficient Quantity cannot be had that way. It will be proper to engage it as we propose sending the Linen and other Things on Hand to Camp in a few Days. We shall be glad to know if any suitable Trimmings can be obtained. The Governor has wrote to M^r Hudson about the Blankets. Capt. George Hamilton applies for Cloathing for his Recruits: we have already wrote you to have the Cloth made up; on his Application, you will supply him with the State Bounty as far as you can, on his making a Return of his Men and giving you a Receipt.
