[Council to Mr. Jacob Giles Jun'r]

Sir. Enclosed you have your Commission, with a Licence to purchase within this State; agreeably to Act of Assembly. By the Act alluded to, no Authority is vested in this Board to licence, unless the Commission of the Person applying is previously produced; you did not transmit yours when you wrote for a Licence; I believe that was the sole Cause of Governor Johnson's not complying with your Request. Our Treasury is in a very exhausted State at present, which renders it impossible for us to supply you with Cash, if we had been expressly directed, but as matters are circumstanced we are of Opinion, it would be more convenient and proper that you should draw your Supplies from Col^o Blaine.
