[Council to Mr. Abraham Faw]

Sir. The Barracks in Frederick Town are not in a State to accommodate Troops and as probably Part of the American Army may be quartered in that Town this Winter, we wish you to have them put in a more eligible Condition as speedily as possible. It is represented to this Board that in a short Time and with little Ex-  
pence, they may be made fit for Use and that now, so far from answering the Purpose for which they were erected, they serve for a Rendezvous for Negroes in the Night, by which they are in Danger of being burnt and a Nuisance to the Inhabitants. It is expected you will immediately hire a careful Hand to look to their Safety, or undertake it yourself
