p. 197 Sir We received yours of the 8th Ins^t If neither new Money, Tobacco, nor Orders on the Sheriff of the County will afford you the Means of obtaining the Supplies wanted for the Army, it is not in our Power to place any other in your Hands, at present, and are Sorry to find we are likely to fail in a County on which we put considerable Dependance. The General Assembly being to meet in a few Days, may probably make such Regulations as will enable us to direct your Conduct in the other Matters you mention, in the mean Time we request you not to make Contracts payable in hard Money and to forward all the Cattle, on the Hoof, you can, likewise what Flour you have on Hand, having just been inform'd by Congress that the Army is much in want of Provisions, Barrels will be very much wanted for the salt Provisions, and no Time should be lost in procuring them.
