Sir We have sent by M<sup>r</sup> Patrick Carvery, Cloth sufficient for ten suits of Cloaths and Overalls ten Shirts, ten Pair of Stockings and ten Pair of Shoes; we had no Cloaths ready made or we should have sent them. We have directed the Commissary of Stores to charge you with the Cloathing, 'til you produce Receipts for the Delivery of them to the Recruits. Enclosed you have an Order on the Collector of the Tax for St. Mary's County for 3000 Dollars. We should be obliged to the purchasing Commissary for St. Mary's County to supply your Recruits with Rations, but we have no Power to direct him, as it is out of the Line of his Duty

[Council to Messrs. Joseph Gilpin and Elijah Cole]

Gentlemen Col<sup>o</sup> Ewing having applied for a Licence to act as agreeable to the late Act. We have in Consequence of the Information received from you of his Conduct, thought it proper not to grant it; but as that Gentleman denies the most material Charges against him, we request you to transmit us the fullest Information under Oath, on this Subject and as speedily as possible, least the public Service should suffer

[Committee to Jonathan Hudson, Esqr.]

Sir On the Recommendation of the Governor, we have agreed to take one hundred Pieces of the best Britanies you have, over and above the two hundred he purchased of you and we beg you will have them carefully packed up in Bales, ready to deliver to our Order. The Act of Assembly does not allow Hats to our Officers and yours are too good for common Soldiers. A full Supply of Stockings are already procured for present Use; although we believe yours are good, and that you may be induced to sell them reasonably, yet our Finances are too low to admit of an Advance that is not warranted by Necessity. The Cloths we decline taking for the same Reason.
