

Deeds Liber A, pp. 11-12.

Liber A

The Deposition of John Salter aged 27 or thereabouts sworn in Court saith [fol. 79]

That in or about the Month October in 1650 your deponant being at the house that John Winchester then lived in did here William Body and Thomas Belcher Condition and agree for a parcell of Land that the said M^r Belcher had taken up adjoining to the Land of Thomas Pett by Estimation fifty acres more or less That if the said Body did well and truly pay unto the said M^r Belcher one good Cow great with Calf or a Calf by her side by the last of March next that then he should enjoy it And also the said Belcher was to procure him a Patent as soon as he could and further saith not

1653 —

The Deposition of John Winchester aged 30 or thereab^{ts} sworn in Court saith

That in or about february in 1650 William Body did buy a Cow of your Deponant which he said was for M^r Belcher for a parcell of Land he bought of him, and wishes your Deponant to deliver the Cow by the last of March And your deponant demanded of the said Body when he was to have his patent of M^r Belcher and he answered he was to have it as soon as he could gett it and your Deponant said that it was best then to take under his hand that he might have something to shew for it and further saith not

John Winchester

Deeds Liber A, pp. 15-21.
