

from Lieu.^t Governor Delancey, you will find Sir that the King having judged proper that the Earl of Loudoun should return to England, his Majesty at the same time was pleased to appoint me to succeed his Lordship as Commander in Chief of the King's Forces in North America with the same Powers and Authorities, and you will likewise find that in Pursuance of that Appointment it was his Majesty's Pleasure that all his Governors on the Continent should apply to and correspond with me on all Matters relating to the King's Service. in Consequence of which Pleasure so signified to you and repeated to me, I am to recommend to you to use your utmost Endeavours and Influences with the Council and Assembly of your Province to induce to raise with all possible Dispatch as large a Body of Men within your Government, as the Number and Situation of its Inhabitants may allow, all which has already been strongly recommended to you by his Majesty's Secretary of State as likewise several other Matters contained in that same letter, which for the Sake of Brevity I shall avoid repeating and solely refer myself to, as it is so full that I do not think it can want any Addition, so far I will venture to go for your further Guidance as to fix the Number of Provincial Troops that may be wanted for his Majesty's Service in those Quarters to six thousand, to be furnished by Virginia Maryland and Pensilvania, in such Proportions and upon the Terms set forth in the above quoted Letter of M.^r Secretary Pitt to his Majesty's Governors in North America.

I am at the same Time to acquaint you that as it is absolutely necessary for his Majesty's Service that an immediate Embargo should be laid on all Ships in the different Ports of the respective Provinces in North America, and as you have already been forewarned that whenever such Directions should be transmitted to you by his Majesty's Commander in Chief in these Parts, you should without any the least Difficulty comply therewith, I make no Doubt that upon Receipt hereof you will forthwith publish the said Embargo, which is to hold good until such time as you receive Notice from me to take off the same, which you may depend on being transmitted to you as soon as his Majesty's Service will allow of it.

I have Nothing further to add, but to desire that you will give me the earliest Notice possible of the Success you meet with in your Application to your Council and Assembly, and what Resolutions they are, or are likely to come to upon the Subject of the Troops to be raised by them conformable to his Majesty's Directions, especially as the Season is so far advanced, and there is no Time to lose: I am with great Regard, Sir, your most obed.^t humble Servant.
