

Robert Johnson did appear at the then next Term according to the Tenor of his Recognizance which was respited from Term to Term until March Term 1782 when the said Robert Johnson being called, and not appearing, the same was forfeited and that Execution had thereupon issued, and was still enforce against the said Robert Johnson. The Case of the said Robert Johnson was stated in writing by five of the Justices of Frederick County Court who recommended a Remission of the whole of the Recognizance forfeited as aforesaid. It appearing to the Board from the foregoing State and Certificates of the good Character of Robert Johnson that the forfeiture aforesaid hath not been wilfully incurred by him but hath proceeded from his Apprehension and Belief that his attendance was unnecessary after the Term to which he was recognized to appear; they are of Opinion that the same ought to be remitted and do order a Remission accordingly.
