

resumed the chair, and Mr. Worthington reported, that the committee had, according to order, taken into their consideration the declaration of rights, and form of government for this state, and had come to several resolutions thereon, but not having had time to come to a conclusion, had directed him to move for leave to sit again.

*Resolved*, That this convention will on to-morrow resolve itself into a committee of the whole, to consider further of the same.

Mr. Earle appeared in the house.

On reading and considering the petition of sundry inhabitants of Washington county, setting forth, that by a late resolve of convention the election for fixing the place for the court house of Washington county was to be held at Hagerstown, which would be so distant from many of the inhabitants of the said county that it would be very inconvenient for them to attend, and praying that the election might be held for one or more days at Skipton or Old-town; thereupon the question was put, That for the ease and convenience of the inhabitants of the upper part of Washington county, the election for fixing the place for the court house of the said county shall be held two days at Skipton, beginning on the sixth day of November, and that Andrew Bruce, Lemuel Barret, and Thomas Warren, or any two of them, be judges of the said election, and give due notice to the inhabitants of the said county; and that the judges appointed to hold the election at Hagerstown, and those appointed to hold the election at Skipton, meet together as soon as conveniently may be at Hagerstown, and there examine the said polls, and declare the said election according as the majority of voters may appear to be on both the said polls? *Resolved* in the affirmative.
