

begin on the important Town Hill relocation and the bridge over 15-Mile Creek.

I am certain that new Route 40, with its connections to the east of here, going hand-in-hand with other programs of this Administration will play a major role in revitalizing the economy of the Western Maryland region It is with great pride that I officially turn these projects over to the people of Allegany County and Maryland with the sincere hope that these improvements will serve the community well for many years to come.
