

1 THE PRESIDENT: The Chair recognizes Delegate
2 Penniman.

3 DELEGATE PENNIMAN: I move that all interfering
4 rules be suspended in order to consider this resolution.

5 (Whereupon, the motion was seconded.)

6 THE PRESIDENT: Delegate Penniman, will you
7 please move to suspend all interfering rules to permit
8 consideration of Resolution 52?

9 DELEGATE PENNIMAN: I think I just did, Mr.
10 President.

11 THE PRESIDENT: I am sorry.

12 The State police have apparently acted under
13 somebody's orders -- not my own -- and have escorted
14 to the well of the chamber my secretary, Mrs. Nancy Looker.

15 (The delegates arose and applauded.)

16 THE PRESIDENT: Is there any discussion?

17 Delegate White.

18 DELEGATE WHITE: Mr. President, I have just
19 received another note. It said: "Dear John, we are
20 finally on target with recognition of Vera Brown."

21 Signed, "Marvin Singer."
