

1 Thank you so much.

2 THE PRESIDENT: Thank you very much, and on
3 behalf of the Convention I accept them with a great deal
4 of gratitude. I will put them with the Convention records.

5 This Convention has been noted for many things.
6 Sometimes the records would indicate that we are not the
7 speediest of all, but I think that charge, if it has
8 been a charge, can be set at rest now for evermore.

9 It gives me great pleasure to present to you,
10 Delegate Koger, a photograph of you making the presenta-
11 tion a few minutes ago, taken by Delegate Finch. (Laughter
12 and Applause.)

13 DELEGATE KOGER: Here is one for you, Mr. Eney.
14 Thank you so much.

15 THE PRESIDENT: You really can't beat it.
16 This is a picture of me just shaking his hand.

17 Delegate White.

18 DELEGATE WHITE: I was going to ask equal time,
19 but I yield to Delegate Borom.

20 THE PRESIDENT: Delegate Borom.

21 DELEGATE WHITE: We give up. (Applause.)
