

1 DELEGATE SCANLAN: No question about that, but  
2 one of the jobs we came down here to do is eliminate  
3 unnecessary material and I think this is a classic  
4 example of it.

5 DELEGATE SCHLOEDER: Thank you.  
6 Would you yield for another question?

7 DELEGATE SCANLAN: Yes.

8 DELEGATE SCHLOEDER: Is it not true that the  
9 material that you would like to delete here is also not  
10 found, not found, in the Constitutional Commission draft?

11 DELEGATE SCANLAN: That is right, I do not  
12 believe the Commission draft has material similar to  
13 this.

14 DELEGATE SCHLOEDER: Having been one of the  
15 authors of that article, you having been one of the  
16 authors of that article, I bow to your knowledge. Thank  
17 you.

18 DELEGATE JAMES: Delegate Weidemeyer.

19 DELEGATE WEIDEMEYER: I wonder if Delegate  
20 Scanlan would yield to a question?

21 DELEGATE JAMES: Does he yield?
