4 DELEGATE CARDIN: ~~Mr. Chairman, again back to~~
5 ~~Section 7.10, the present Constitution, in Article XIII,~~
6 Section 1, has a mandatory referendum. However, Article
7 XVI, Section 1, permitted people to bring to referendum ~~any~~
8 ~~change in boundary or any form of boundary or governmental~~
9 change.

10 The new provision for referendum which was adopted
11 by this Committee yesterday ~~has~~ eliminated Section 16.
12 In our restrictions to referendum, we have legislative
13 districts or apportions.

14 Is it conceivable that ~~in the General Assembly~~
15 under Section 7.10 of your Article, ^{empowering} the General Assembly ~~in~~
16 ~~establishing~~ a new form of regional or multi-county
17 government, ^{there be} could ~~have~~ new district lines? If it ^{does} does, would
18 this automatically restrict this procedure from being
19 brought to referendum?
