

1 Taxes shall be imposed only for public purpose and by  
2 elected representatives of the people.

3 This has a perfectly well defined connotation,  
4 and I think the record is abundantly clear what we mean  
5 here.

6 THE CHAIRMAN: Delegate Clagett, would you be  
7 willing to accept that assurance with the understanding  
8 that the word mean that, so that the Committee on Style  
9 can consider it in co-nection with the section referred to  
10 by Delegate Case?

11 DELEGATE CLAGETT: Mr. Chairman, I accept  
12 that assurance, but I would like to have even more assurance  
13 and see the word "popularly" there. We had this debate be-  
14 fore us, you will recall.

15 THE CHAIRMAN: Do you move an amendment?

16 DELEGATE CLAGETT: I move the amendment, that  
17 the word "popularly" be inserted on line 6 of the amendment  
18 before the word "elected." Then there could be no question  
19 about it.

20 THE CHAIRMAN: Is there a second?

21 (Whereupon, the motion was duly seconded.)
