3 Delegate Taylor?

4 DELEGATE L. TAYLOR: Mr. President, I suggest  
5 the Public Information Office, in view of the fact it  
6 is so difficult to get information about the activities  
7 of the various committees, that there are meetings being  
8 held each morning and of course I know many of the dele-  
9 gates are interested in the activities of other commit-  
10 tees. We hear these announcements from the various  
11 chairmen but for instance, when you come in in the  
12 morning, it would be nice if we could have something in  
13 front of us to really indicate each activity to be dis-  
14 cussed by each committee. I wonder if this could be  
15 done by the Public Information Office.

16 THE PRESIDENT: We will try to do that,  
17 Delegate Taylor. The present schedule attempts to show  
18 the purpose of the hearing, but because of the format,  
19 it does not give too much information. We will try to  
20 elaborate on it.

21 Are there any further announcements?
