

1 This amendment is ridiculous if Cecil and Har-
2 ford are ever considered to be a part of a Congressional
3 district.

4 THE CHAIRMAN: Does any delegate desire to speak
5 in favor of the amendment?

6 Delegate Raley, do you desire to speak in
7 opposition?

8 Delegate Carson?

9 DELEGATE CARSON: Mr. Chairman, I don't want
10 to belabor the point, but there is no question of geo-
11 graphy here. Harford and Cecil on their northern boundary
12 for about 12 miles are separated by the Susquehanna
13 River, on the southern they are separated by 8 miles of
14 the Chesapeake Bay; that part of the Bay is sometimes cal-
15 led the Susquehanna Flats.

16 But there is no question that is part of the
17 Chesapeake Bay. It is on every map and it is so considered
18 by the legislature in all their enactments.

19 THE CHAIRMAN: Delegate Adkins.

20 DELEGATE ADKINS: Mr. Chairman, I have no desire
21 to create silly amendments as one delegate has said. I
