

1 Delegate Malkus.

2 If you will advise the Chair when ready we
3 will come back to it. The Chair is advised that Delegate
4 Adkins desires to move for reconsideration.

5 DELEGATE ADKINS: Mr. Chairman, I should like to
6 move that the action by which Amendment 20 to Committee
7 Recommendation R&P-1 was rejected be reconsidered.

8 This is the vote that relates to the deletion
9 of the word "damage" from the condemnation provision.

10 THE CHAIRMAN: Is there a second?

11 (The motion was seconded.)

12 THE CHAIRMAN: It having been moved and seconded
13 that the vote by which Amendment Number 20 was rejected
14 be reconsidered, the Chair recognizes Delegate Adkins to
15 speak to the motion.

16 DELEGATE ADKINS: Mr. Chairman and ladies and
17 gentlemen of the Convention, it seems to me that the action
18 of this body in rejecting the amendment offered by Delegate
19 Gilchrist to eliminate the word relating to damage in
20 the condemnation section will turn out to have been a
21 serious mistake in terms of enforcement of the provisions
