The committee further report, that they find that James Dunn, of Kent county, and George Leggett, of Baltimore-town, have given no notice of their intention to apply to the legislature for acts of insolvency, and that memorials have been preferred to the general assembly counter to the petitions of the said George Leggett, and to the petition of Elkin Solomon, stating, they have fraudulently conveyed and disposed of their property, with a view of defeating the claims of the said memorialists, and the said memorialists have prayed that the application of the said George Leggett and Elkin Solomon may be rejected; whether it would be proper for the legislature to afford relief to the said petitioners, your committee submit to the house.
