The Board consists of the Governor, Comptroller, Treasurer, *ex-officio* members, and six others appointed by the Governor, with the consent of the Senate; two bi-ennially for a term of six years from the first day in May. (Bagby Code, Art. 44, Sec. 16.)

Patients are received upon order of the Supervisors of City Charities of Baltimore City, and the various County Commissioners, who pay the hospital \$100.00 per capita per annum, the certificates of two physicians being required in all cases. The State appropriates \$160,000.00 for maintenance of patients, besides appropriating money for new buildings, as required. The State, therefore, owns and controls the institution.

A new psychopathic reception hospital is now in course of construction, and when completed the capacity of the hospital will be for 1,500 patients. The institution grounds cover about 800 acres.
