The Board consists of the Governor, Comptroller, Treasurer, ex-officio members, and six others appointed by the Governor, with the consent of the Senate; two bi-ennially for a term of six years from the first day in May. (Bagby Code, Art. 44, Sec. 16.)

Patients are received upon order of the Supervisors of City Charities of Baltimore City, and the various County Commissioners, who pay the hospital \$125.00 per capita per annum, the certificates of two physicians being required in all cases.

The psychopathic reception hospital has been finished and occupied. An additional farm of 142 acres has been purchased, the institution grounds now covering a total of 1,132 acres, and more intensive farming is being done. The hospital now houses 1,560 patients, with 100 more on parole, and is much crowded. However, when the buildings for which the last Legislature appropriated \$200,000.00 are completed, this condition will be relieved; but, as no maintenance was provided for, very few patients can be received until the next Legislature
