

The Workshop is a training school for the adult blind of the State as well as a place of employment for those who have become trained workmen. It is, in no sense a home, as those under training or employment do not live there, but go from their homes or boarding places each day, just as do seeing persons who work in factories, etc.

The building in which the shop operates was purchased by the Maryland School for the Blind at no cost to the State, the funds to pay for it having been raised by public subscription.
