## THE DEPARTMENT OF PUBLIC WORKS

Garrett Building, Baltimore.

### STATE ROADS COMMISSION.

Chairman and Chief Engineer of the Commission and  
Director of the Department of Public Works:

John N. Mackall.....Baltimore

Members of the Roads Commission:

Omar D. Crothers.....Elkton, Cecil County

W. W. Brown.....Cumberland, Allegany County

Secretary, L. H. Steuart, Garrett Bldg., Baltimore City.

The Commission consists of three appointed by the Governor for no specified term of office. One shall be appointed from that one of the two leading political parties opposite to the Governor's political party.

The Governor designates a Chairman who shall also be the Director of the Department of Public Works. (Ch. 29, 1922.)

This department has direct control over the construction and maintenance of a system of highways throughout the State. The Commission also has authority over the building of "lateral" roads not included in the main or trunk line system. Plans and specifications are prepared, the contracts awarded, and the work of construction supervised by the State Roads Commission. The cost of "lateral" roads is shared equally by the State and Counties, the allotment of State funds to the counties being based upon road mileage. (Acts 1924, Chapter 277.)
