

Their draft
for services.

supplement, it shall be understood and considered as applicable to both male and female teachers; and where a teacher shall have kept school in more than one district during the time or within the period, in reference to which distribution is to be made, such teachers being entitled to receive a draft in one district for a portion of said time, shall not preclude the same teacher from receiving a draft in another district for another or different portion of said time.

Semi-annual drafts
on W. S.
treasury.

Sec. 9. *And be it enacted*, That it shall be the duty of the said orphans court, to draw on the treasurer of the western shore twice in every year, to wit: in the second week in January, and in the second week in July, for all school moneys which may have accrued up to such times respectively, for the use of schools in Harford county; and if from any cause the said court should not drawn punctually at the times aforesaid, they shall proceed to do so as soon thereafter as possible.

School
record book
directed to
be kept.

Sec. 10. *And be it enacted*, That the said orphans court shall keep a book, in which they shall cause to be registered, all the particulars of their transactions with reference to the drawing, receiving, keeping and paying away of any and all school moneys with which the said court may be in any manner entrusted; and that the said book shall be open to the inspection of every citizen of the county without any charge therefor; and that the school commissioners of each school district shall likewise keep a book in which they shall register from time to time the several schools in their district, the number of scholars at each school, the sex and age of each scholar, the names of the several teachers, the several sums appropriated and distributed to them respectively, and the dates and amounts of all drafts, and to whom payable, made by the said school commissioners, upon the orphans court, the days of attendance of each commissioner, and their proceedings generally; which book shall be free for the inspection of every citizen, and no teacher shall be entitled to receive, for services that may be performed after the passage of this act, any allowance from the school commissioners, until he or she shall have rendered a statement, under oath or affirmation, showing what length of time the said teacher has been engaged in keeping school within the said county and district, and at what school-house or houses, and to how many pupils the said teacher has given instruction in each month, and the names, sex and ages of said pupils.
