

AN ACT to create an additional Primary School District in Frederick County.—1839, ch. 97.

Preamble.

WHEREAS, it is represented to this general assembly of Maryland, by the petition of sundry citizens of Frederick county, stating therein that in the division of said county, into primary school districts, they were included in districts numbers thirty-one, thirty-two, thirty-three and thirty-six, and that a large number of them are now situated from two to four miles distant from either of the aforesaid locations; *And whereas*, by said petition it appears, that said petitioners having furnished themselves with a good and substantial school-house and lot, conveniently located at their own expense, and it also appearing by the said petition that in the event of creating a new district as therein prayed, it will still leave a sufficient number of scholars to each of the adjoining school districts, it appearing reasonable; therefore,

School district established.
