This law also requires the Governor to appoint a Juvenile Court Committee for each of the counties to which the law applies. When one of these counties decides to have a Magistrate for Juvenile Causes, then it is the duty of the Juvenile Court Committee for that county to recommend to the Governor qualified persons for the position, and after the Magistrate has been appointed the Committee from time to time is to advise with the Magistrate in respect to the selection of probation officers and other matters.

In each county the Juvenile Court Committee consists of five members, whose terms are four years each.
