

1937

12. To the Board of Public Works for the use of the respective departments, boards, commissions and officers of the State, and the respective schools and institutions thereof, or to effectuate the purpose of any State or local law. The Board of Public Works is hereby authorized and empowered to allocate such funds, and supervise the expenditure of the same among the respective departments, boards, commissions and officers of the State, and the respective schools and institutions thereof. No sum or sums shall be allocated unless and until, the Board shall be convinced by any such officer, agency or institution of the State, that a sum or sums is necessary to enable such officer, agency or institution to perform the most essential functions for which such officer, agency or institution of the State was created. All allocations and expenditures made by the Board shall be reported by the Board to the next regular session of the General Assembly. In the event there is an unexpended or unobligated balance of said funds, the same shall revert to the General Treasury.....
