

The Maryland Board of Osteopathic Examiners on receiving applications for license to practice Osteopathy within the State, investigate credentials of said applicant and if they meet the requirements, a license is issued by said Examining Board. Two stated meetings are held each year for the examining of such applicants whose credentials will not warrant the issuing of a license through the previous practice, or Reciprocity Acts. Said Examining Board co-operates with municipal and State officials in enforcing the laws regulating the practice.

The Governor appoints three members for two years from the first Monday in May of every other year. All members must be qualified barbers with at least five years experience immediately prior to their appointment. (Ch. 226, Acts of 1904.)

The duties of Barber Examiners are to examine and license barbers who come into the State and all persons who desire to take up barbering as a vocation. The examination consists of a written and a practical examination in barbering. The Examiners may enter and inspect a barber shop to note any violations of any of the health laws applying to barber shops. Licenses may be revoked for stated violations. Examinations are held in Baltimore City, and at such other cities and towns as the occasion may require. Applications for examinations may be obtained by addressing the Board at
