

C. A. Perry, Sc.D., Chief Bacteriologist, Baltimore.

The Bureau of Chemistry determines the sanitary quality of drinking waters, milk and other food substances; determines the legality of drug products and pharmaceutical and medical preparations sold to the public.

Wm. F. Reindollar, Sc.D., Chief Chemist, Baltimore.

The Bureau of Sanitary Engineering exercises supervision over the purity of water throughout the State; examines all sewage and water works projects, approves or amends them; through the State Board of Health can require local authorities to install sewerage or water works or to alter the construction or operation of these works; exercises supervision over the disposal of trade wastes, stream pollution in general and aerial pollution.

George L. Hall, Chief Engineer, Baltimore.

The Bureau of Foods and Drugs investigates food and drug products manufactured or sold in the State, for the purpose of determining their purity, honesty of labeling, and compliance with the Food and Drug Law. Holds hearings, inspects dairies, canneries, pharmacies, stores, markets, seafood establishments, slaughter-houses, and other places where food and drugs are produced, manufactured or stored.

A. L. Sullivan, B.S., Chief, Baltimore.

L. M. Kantner, Phar.D., Deputy Food and Drug Commissioner, Baltimore.

The Bureau of Child Hygiene assists health officers and nurses in their child health activities; at the request of the County Health Officer and with the approval of the local physicians organizes prenatal conferences for mothers, health conferences for infants and preschool children in the counties.

The Bureau of Medical Services assists in the medical care of the indigent and mentally indigent; licensing of hospitals and the Emergency Maternity and Infant Care Program for Wives and Mothers of Service Men.

Dean Roberts, M.D., Chief, Baltimore.

The Division of Personnel and Accounts does all departmental accounting of both money and property, and does most of the Departmental printing; purchases all supplies, material and equipment for the bureaus of the Department; directs the distribution of supplies; and exercises general supervision over employees of the Department. The Chief of the Division is the Recording Secretary of the State Board of Health and of the Executive Committee. He also supervises the financial aspects of full-time county health units and works with county and town officials in the preparation of joint budgets for such projects.

Walter N. Kirkman, Chief, Baltimore.
