The Employees' Retirement System was established in 1941 to provide a plan of retirement for, and administer pensions to, retired State employees. The System is directed by a board of seven trustees, four of whom are ex officio; of the other three, one is appointed by the Board of Public Works for a four-year term, and two are elected for four-year terms by the State employees who are members of the Retirement System. Not included within the Retirement System are the faculty members of the State teachers colleges, Morgan State College, and the University of Maryland, who are members of the Teachers' Retirement System; the uniformed personnel of the Maryland State Police, who have their own retirement plan; and certain other groups of State employees as defined by law (Code 1951, Art. 73B). Since July 1, 1956, Social Security coverage is administered through the Division of Social Security for all State employees and all teachers (Code 1951, 1957 supp., Art. 73B, sec. 32).
