The General Assembly established this Board in 1884. The Governor appoints its six members for six-year terms. He appoints two members biennially from a list of four practicing dentists furnished by the Maryland State Dental Association. The Dental Practice Act of the State provides that this Board regulate the practice of dentistry by testing the qualifications of candidates for licenses in dentistry and in dental hygiene.

All applicants for licenses to practice dentistry must be at least twenty-one years of age and graduates of dental colleges duly incorporated to grant degrees in Dental Surgery by the laws of one of the United States or Canada. All applicants for a license to practice dental hygiene must be graduates of a school for dental hygienists requiring at least two years of study and approved by the State Board of Dental Examiners. Examinations, held twice every year, are both written and practical. Every dentist and every dental hygienist must register annually (Code 1957, Art. 32).

The first board for the examining and licensing of plumbers in Maryland was established in 1886 with jurisdiction limited to Baltimore City. The General Assembly established the present Commission in 1910. Its jurisdiction includes all of the State, excepting Prince George's and Montgomery counties. The Board is composed of five members appointed by the Governor for two-year terms. One member must be from Western Maryland, one from Southern Maryland, one from the Eastern Shore, and two from Baltimore. The Commission examines and certifies journeyman and master plumbers. Master plumbers must have held journeyman certificates for at least two years prior to applying for a master's certificate. All certificates must be renewed annually. Appeals from the results of examinations may be taken to a board of arbiters, composed of one member appointed by the appellant, one by the Commission, and a third by the other two members of the arbitration board. All members of the Board must be certified plumbers within the State (Code 1957, Art. 43, secs. 326-38).
