The Washington Suburban Sanitary Commission is the governing body of the Washington Suburban Sanitary District, created by Chapter 122, Acts of 1918, consists of six members, three of whom are from Prince George's County and three from Montgomery County. By Chapter 839, Acts of 1965, and Chapter 713, Acts of 1967, the Prince George's County members are appointed by the Prince George's County Commissioners, and the Montgomery County members are appointed by the Montgomery County Council.

When the Commission was organized, the District's service area covered 94 square miles. In succeeding years, the General Assembly has made additions, and the Washington Suburban Sanitary District now contains about 1,000 square miles within Prince George's and Montgomery counties, adjacent to the District of Columbia. The Commission has jurisdiction over the construction of any water and sewerage systems built in either county beyond the limits of the Sanitary
