The Maryland Agricultural Commission, created by Chapter 552, Acts of 1968, succeeded the Agricultural Advisory Board established by Chapter 470, Acts of 1961. The Commission was established to formulate and make proposals for the advancement of Maryland agriculture by serving as an advisory body to the State Board of Agriculture on matters pertaining to agriculture.

The Commission consists of nineteen members of whom four serve ex officio. These four must be the Vice President of the University of Maryland for Agricultural Affairs, and three members of the Committee on Agricultural Activities of the State Board of Agriculture. The remaining fifteen members are appointed by the Governor for three year terms as follows: two representing the dairy segment;
