This Committee was originally established by the President of the United States under Public Law 584 as part of the international education and cultural exchange program of the United States government. Its purpose is to promote the better understanding of the United States abroad and to increase the mutual understanding between peoples of other countries. As a part of the program, the State Committee is to screen applications from Maryland residents who are in their senior years in attendance at colleges and universities in the United States to undertake graduate study abroad. The Committee recommends up to two candidates neither of whom may choose the same country and forwards the applications to the Institute of International Education for consideration by the Board of Foreign Scholarships. Members of the Committee are appointed by the Governor for indefinite terms.

The Maryland Public Broadcasting Commission, originally created by Chapter 202, Acts of 1966, as the Maryland Educational-Cultural Television Commission, had its functions expanded by Chapter 645, Acts of 1967, when it became known as the Maryland Educational-Cultural Broadcasting Commission. The Commission was created to develop, operate and maintain a system of State, regional, and local facilities to provide educational and cultural television and radio programming throughout Maryland.

The Commission consists of eleven members appointed by the Governor for five-year terms. The Governor designates the Chairman and the Vice Chairman of the Commission. One of the members must be the State Superintendent of Schools and two other members are designated by the State Board of Education. Members are chosen because of their interest in public education, libraries, art, music, drama, higher education, the television and radio industries, or other
