This Board, originally created by Chapter 126, Acts of 1966, had its membership enlarged by Chapter 22, Acts of 1974. From and after July 1, 1974, the Advisory Board consists of six additional members to be appointed by the Secretary of Health and Mental Hygiene from the general public. Three of these additional members must be between the ages of sixteen and twenty-five and at least one must have been under the jurisdiction of the Department of Juvenile Services. The Board has the duty of recommending to the Director of the Juvenile Services Administration policies and programs designed to improve the State's juvenile services. The Board also participates in interpreting the objectives of the administration to the public as well as the planning for the development and use of all available resources for the promotion of the needs of the administration (Code 1957, 1972 Repl. Vol., 1975 Supp., Art. 52A, sec. 3).
