The Veterans' Home Commission was created by Chapter 575, Acts of 1975 to provide a home for veterans in the State of Maryland. The Commission consists of twelve trustees, of whom one must be the Chairman of the Maryland Veterans' Commission. The Governor, the President of the Senate, and the Speaker of the House of Delegates serve as *ex officio* members. Eleven of the trustees are appointed by the Governor with the advice and consent of the Senate for four year terms.

The trustees are to select a suitable location for the home and to maintain it. They are also to make the rules for the government and management of the home and to appoint its commandant. The trustees are to report annually to the Governor and the General Assembly and make any recommendations necessary to carry out the purposes of the Commission (Code 1957, 1964 Repl. Vol., 1975 Supp., Art. 96½, secs. 51-62).

Annapolis 21401 Telephone: 269-2885

This Council, created by Chapter 646, Acts of 1971, consists of twenty-five members appointed by the Governor for terms of three years from among persons who are familiar with vocational education, and manpower needs of organized labor, persons familiar with the needs of business and industry, persons representative of transportation, economic development agencies, the manpower needs of agriculture, and those with specialized knowledge in the field of vocational education. The Council selects its own officers.

The Council has the responsibility of advising the State Board of Education in the development and preparation of the State Plan for Vocational-Technical Education. It also evaluates programs, services and activities of Vocational-Technical Education and prepares an evaluation report which considers the effectiveness of vocational education programs, services and activities carried out in the year as set forth in the State's Long Range Program Plan and Annual Program Plan. The Council also advises the State Board for Community Colleges with regard to vocational-technical programs, services and activities and serves in an advisory function to the implementation of the 1963 Vocational Education Act as amended, and to advise the State Board of Education on the development of policy matters arising in the administration of the State Plan (Code 1957, 1971 Repl. Vol., 1975 Supp., Art. 41, secs. 409A-409H).
