

the Maryland Industrialized Building and Mobile Homes Code provides for the appointment by the Secretary of a Code Enforcement Certification Board.

The Board consists of nine members, three of whom are certified code enforcement officials and one member each from the following groups and agencies: licensed architect, registered engineer, representative of the Maryland Department of Economic and Community Development, educator, member of the Advisory Commission on Industrialized Building and Mobile Homes, and a building industry representative. The Board is responsible for recommending standards for certification of code enforcement personnel; examining and certifying qualified applicants; reviewing qualifications for certification; revoking certification where warranted; keeping records of all its proceedings; maintaining a current list of certified code enforcement officials; and making an annual report to the Secretary (Code 1957, Art. 41, sec. 266EE-4).

### **ADVISORY COMMISSION ON INDUSTRIALIZED BUILDING AND MOBILE HOMES**

*Chairperson:* Arnold M. Kronstadt

1748 Forest Drive  
Annapolis 21401 Telephone: 269-2701

The Advisory Commission on Industrialized Building and Mobile Homes was created by Chapter 662, Acts of 1971, to make recommendations to the Secretary of the Department of Economic and Community Development concerning the promulgation and enforcement of rules and regulations prescribing standards for industrialized building units and mobile homes. The same Act provided for the inspection of the manufacturing facilities and the assemblies being produced. The Commission consists of fifteen members appointed by the Secretary of the Department of Economic and Community Development who serve at his pleasure. Members serve three-year terms. Those included on the Commission consist of representatives of industries and professions involved in the development and construction of industrialized buildings and mobile homes, persons selected from building code enforcement agencies, architectural and engineering associations, building construction trades, the contracting and manufacturing industry, legislative bodies of local government, the financial industry, and the general public. The Commission submits an annual report to the Secretary and the General Assembly regarding rules, regulations,

and programs relating to the Industrialized Building and Mobile Homes Acts of 1971. The new HUD Mobile Standard, which became effective on June 15, 1976, will supersede the Maryland standard for mobile homes, but the Commission may still make recommendations. These would be submitted to HUD for consideration (Code 1957, Art. 41, secs. 266EE 1-4, 7, 8).
