The Task Force on Uniform Procedures for Motor Carriers was created by the Governor in June 1986. The Task Force studies existing State laws, regulations, policies, and practices regarding the taxation, registration and administrative regulation of heavy trucks and buses. The Task Force will develop simpler, more uniform procedures within the State and with other states. While reducing the regulatory burden on motor carriers, these procedures are to ensure that safety is not compromised and that operators of commercial vehicles pay their fair share of highway user costs.

The Task Force submitted reports in July 1987 and July 1988.
