The People's Counsel represents the interests of residential consumers of gas, electric, telephone, sewer and water services, and noncommercial users of regulated transportation industries. The People's Counsel appears before the Public Service Commission and the courts on behalf of those users in all matters or proceedings over which the Commission has original jurisdiction and in which the People's Counsel deems their interest to be involved. The People's Counsel may appear before any federal or State agency to protect those interests of residential or noncommercial users (Chapter 756, Acts of 1976).

The Office of the People's Counsel operates independently of the Public Service Commission and may participate in all proceedings before the Commission. The Office may use staff of the Public Service Commission and also retain additional expert witnesses to testify in various proceedings before the Commission.

The People's Counsel must be an attorney-at-law of the State. The People's Counsel is appointed by the Governor with Senate advice and consent (Code 1957, Art. 78, secs. 14-15B).
