*Annual Report to Governor.*

The Commission on the State Publications Depository and Distribution Program was created in 1982 (Chapter 912, Acts of 1982). The Commission oversees the State Publications Depository and Distribution Program, which is part of the State Library Resource Center at the Enoch Pratt Free Library. Under this program, each State agency is required to furnish the State Library Resource Center with a sufficient quantity of the agency's publications for the Center to distribute to designated depository libraries. These libraries include:

State Library Resource Center;  
 Department of Legislative Reference Library;  
 State Archives;  
 State Law Library;  
 McKeldin Library, University of Maryland;  
 U.S. Library of Congress;

and any other library designated by the Commission. As of January 1989, the following ten additional libraries had been granted depository status:

Frostburg State University Library;  
 Montgomery County Public Library, Rockville Branch;  
 Prince George's Community College Library;  
 Salisbury State University Library;  
 Southern Maryland Regional Library, La Plata;  
 Towson State University Library;  
 University of Baltimore Langsdale Library;  
 University of Maryland Baltimore County Library;  
 University of Maryland Eastern Shore Library;  
 Washington County Free Library Government Reference Service.

Each State agency is required to designate an agency publications contact person and notify the State Library Resource Center of the designation.

The Commission promotes the effective dissemination and use of State publications, may grant depository status to geographically dispersed libraries, and adopts policies for uniform identification, collection, distribution, accessibility, and retention of State publications. It advises the Program in its implementation of Commission decisions, and provides access to State publications.

Appointed by the Governor, the Commission consists of nine members. Three represent depository libraries, three represent State agencies, and three are appointed from the general public. Members serve four-year terms (Code Education Article, secs. 23-2A-01 through 23-2A-05).
